Livestock General Rules

Market Animals Exceeding the Maximum Weight

Market animals exceeding the maximum weight will be placed in a special weight category designated as “super heavy-weight.” Animals placed in this category may sell at auction if properly shown and appropriately placed. However, the seller will only be paid for the maximum weight listed in the Exhibitor’s Guide as follows:

Beef.....	1350 lbs.
Sheep.....	140 lbs.
Swine	265 lbs.
Goat.....	125 lbs.

The Sacramento County Fair places minimum and maximum weights on market animals to be consistent with packer demands and consumer trends. We adjust these weights from year to year according to what the packer needs. A maximum weight was placed by the packer on hogs exceeding 280 pounds. **Hogs weighing over 280 pounds are not eligible to show in a regular market class or sell in the auction.** They can be shown in the showmanship class. In the future, packer demands may dictate that beef and lambs follow the same “maximum” weight criteria. If you would like more information contact the County Fair office.

Schedule and Order

1. Fair management reserves the right to arrange the sale order. Sale order for the auction will be posted in the livestock barns on the Friday before auction from 2:00 p.m. until 6:00 p.m. Should anyone have a proposed change to that order, it must be submitted in writing to the Sacramento County Fair Livestock Office by 6:30 p.m. on the Friday before the auction. A special meeting of the Auction Committee will be held on Saturday whereby all submitted changes will be addressed. All decisions reached by the Auction Committee and the Fair Manager's designee on these requests are final.
2. The Junior Livestock Auction will start at 10:00 a.m. with small animals followed by the Sale of Champions.
3. Supreme/ Supreme Reserve Champion of each species will be sold consecutively in the Sale of Champions.
4. Under no circumstances will any exhibitor sell more than one animal if the exhibitor has two champions of equal level (i.e. two grand champions or two breed champions). In the event of an exhibitor winning more than one Champion, the exhibitor may choose which will go into the Sale of Champions. No animals will move up in the vacated spot.

Exhibitor Responsibilities at the Auction

1. Animals will be moved to the auction ring and returned to the pre assigned holding area by the exhibitors. Exhibitors must bring their own animal into the sale ring unless otherwise approved by the CEO/Fair Manager.
2. Animals must be clean and presentable. It is the exhibitor's responsibility to feed, water and care for their animals until the animals are loaded for market
3. The Exhibitor is liable for his/her animal until it is loaded onto the truck. Failure to care for an animal after sale and until load out may result in penalties up to the forfeiture of sale proceeds.
4. All pens of market animals sold at auction must be left clean. Pens must be cleaned after all animals are loaded, but no later than 8:00 a.m. Monday morning. Please do not block the alleys/walkways with debris and straw while market animals are

being loaded. A \$50.00 cleaning fee will be deducted from exhibitor's sale check if pen is not clean.

Bidding

1. Each animal will be sold to the highest bidder without reserve. Bidding disputes will be settled by the auctioneer declaring "all bids off" and reselling the animal in question.
2. The Fair accepts proxy bids. Proxy forms are available at the Fair office. All Proxy Bid forms must be turned in prior to the sale.

Settlement

1. Payment may be made in cash, check, and Discover, Master Card® or Visa® credit cards. Same day payment is expected unless prior arrangements have been made.

Livestock General Rules

2. Pictures are to be submitted with the Market Entry Form. No late pictures will be accepted. **Do not staple the pictures to the entry form.**
3. Exhibitor's name, chapter/club name and phone number **must** be on the back of the picture. Do not use a pen to write, use a soft lead pencil or use an address label. Example: Joe Smith, River City FFA, 555-4444. This will assist staff in assuring that a quality picture has been received prior to the opening of the Sacramento County Fair. Remember, be careful not to press hard on the back of the picture, as the writing will "show" on the front of picture, making the picture unacceptable. The use of labels printed before affixing to the back of the picture will work well to avoid this problem.
4. Pictures should be no smaller than 3" x 5" and no larger than 4" x 6", in portrait (up and down, like a school picture) color print. The picture will be from the waist of the individual up to the top of their head or, in some cases, the top of their required hat. **Do not cut off the top of the hat or head.** These pictures will be attached to the placards that are presented to the buyer of your animal; you want to look your best.
5. The picture must be printed on photo quality paper. Polaroids, photocopies and any picture **NOT** on photo quality paper will not be accepted.
6. The quality, color and lighting of the picture should be appropriate. Neither grainy or mis-colored pictures, nor dark pictures will be accepted. Pictures that are out of focus will not be accepted.
7. No other individuals, parts of individuals or animals can be visible in the picture; no sunglasses or unofficial hats can be worn for the picture.
8. Exhibitors with two different species of market entries are required to submit two pictures; one for each market specie entered.
9. If you are unsure if your picture is appropriate, consult with your advisor or leader or contact **Karen Hein (916) 684-2541** for assistance.
10. **Note to leaders and advisors:** If you are submitting your chapter/club pictures as a package, please look at the pictures to determine that they are of a quality you would like representing your organization and that they are appropriately labeled prior to submitting entries to the Sacramento County Fair.
