

INDEPENDENT DOCUMENTATION AND ENTRY PROCESS

This document is an excerpt from the Junior Livestock Show & Auction Rules as it pertains to Independent Exhibitors. It is created as a single page document to assist our independent exhibitors with the process and deadlines for entering market competitions at the Sacramento County Fair.

Independent Junior Exhibitors entering market animals must submit to the Fair Manager, with their entry form and entry fees the following documentation:

- a bill of sale with the exhibitors name and date of purchase;
- a photograph of exhibitor with the animal; the photo of the animal should include any brands, ear tags or ear notches that would uniquely identify that animal;
- verification of the animals permanent tag and/or tattoo;
- a signed letter stating the following:
 - a. exhibitor's intent to exhibit at the Sacramento County Fair,
 - b. the exhibitor will name the guardian to oversee the project,
 - c. the exhibitor intends to provide evidence of insurance or purchase insurance from the Sacramento County Fair and
 - d. the exhibitor will designate which market division (4-H or FFA) for competition.

This documentation, with entry forms and entry fees must be submitted to the fair manager based on the following schedule per species being exhibited by the exhibitor:

Market Beef – 120 days prior to the first day of the fair

Market Sheep, Goats and Swine – 60 days prior to the first day of the fair

Market Poultry, Eggs* and Rabbits – at time of final entry deadline, April 24, 2010. Late entries WILL NOT be accepted for Independent Livestock Exhibitors

In the case that the scheduled deadline date falls on a weekend or holiday, the fair manager will accept entry and documentation that is hand delivered or postmarked BEFORE the scheduled deadline.

*Note: due to the life cycle of eggs, it may not be possible to submit a photo of the eggs to be entered. The exhibitor must submit a photo of the exhibitor's project animal that will be producing eggs for verification purposes.
