The gofer role is defined as the team member who answers questions and interacts with the public so that the other members can concentrate on their tasks. If desired, the gofer may be assigned time slots to speak to the public about their team history. When not talking to the public, the gofer may help their fellow team members. Keep in mind that the Fair's primary purpose is to educate the public and promote appreciation for wool and its crafts.

Fiber and trophy supplied by Black Winds Sheep Ranch

Event Description

In each task, points are awarded based 70% on length of yarn, 20% on quality and 10% on creativity, costume, artistry or attitude. Contestants may enter one, some or all classes. Awards and points will be given for each class. The Spinner accumulating the most points overall will be named "**California's Best Spinner**". In order to be named Best Spinner, it will be necessary to participate in most or all of the events in order to accumulate enough points. Classes contributing to the "California's Best Spinner" include Longest Thread, Strategic Spinning, Creative Spinning, and Spinner's Triathlon

This is a "**fun**" event. It is to show the public that spinning is enjoyable and relaxing. What you accomplish really does not matter to the normal spinner, but because this is a contest you are working towards a goal that is not part of what the normal spinner does. So, regardless of the out-come, please make the public aware of the potential that is available to them. There will be something for every contestant.

Each spinner must supply a spinning wheel or spindle.

Points awarded per task as follows. The person with the highest number of points after finishing all four classes will be the over all winner and "California's Best Spinner".

- 1st - 25 points
- 2nd - 20 points
- 3rd - 15 points
- 4th - 10 points
