Garden In A Wheelbarrow Registration Form

Thank you for your interest in the Garden In A Wheelbarrow program. The Sacramento County Fair is offering free educational material for use in your classroom to educate your students on the source of food and fiber. We will also provide a free wheelbarrow, seeds, soil and teaching materials to plant a salad garden.

Attend a brief workshop and receive these materials in exchange for an agreement to have your students exhibit the results of their education.

Class awards will be given for the "winners" in each class.
